

# DA314-8K2-2K7

Resistor pack

Two resistors pre-wired, *as below*.

## Connections

|     |   |
|-----|---|
| FL1 | Fly lead – <span style="color: green;">■</span> green 100mm   |
| FL2 | Fly lead – <span style="color: yellow;">■</span> yellow 100mm |
| FL3 | Fly lead – <span style="color: red;">■</span> red 100mm       |
| R1  | 8K2Ω  |
| R2  | 2K7Ω  |

## Environmental

|                             |                            |
|-----------------------------|----------------------------|
| Operating temperature       | -10°C to +40°C             |
| Storage temperature         | -20°C to +50°C             |
| Operating relative humidity | Maximum 95% non-condensing |

## Dimensions\*

|                    |                                   |
|--------------------|-----------------------------------|
| Width              | 10mm                              |
| Height             | 18mm                              |
| Depth              | 4mm                               |
| Weight             | < 0.005Kg                         |
| Enclosure material | Polyolefil heat shrunk insulation |
| Finish             | Black                             |

## Other

|   |              |
|---|--------------|
| Estimated mean time before failure (MTBF) | 50,000 hours |
| CE Approved                               | Yes          |

\*(+/- 2mm)
