

# DA459

## Sliding 2U Rackmount equipment drawer

Rack-mounting systems are the ideal solution for efficient and organised use of space. This 19" 2U rack mount sliding drawer is ideal for non-standard sized equipment that needs to fit standard racks.

The rack drawer features a sliding drawer mechanism for smooth easy access. As standard the drawer is fitted with key lock; magnetic tamper switch, full-width rear opening and internal blank mounting plate. The drawer is finished in a black powder coat.

The DA459-4B7 has a mounting plate designed with fittings for four 7Ah VRLA batteries to be mounted to the equipment plate.

Environmental
