

DA475

Access control PCB caddies
 Suitable for stacking access control PCB's

The DA475 range of PCB stacking cages allows two access controllers to be installed in a single mounting position.

Easy to fit PCB mounting pillars are included with pre-drilled holes for common mounting positions, alternative positions can be drilled with a 3mm bit for maximum compatibility with any PCB device.

Environmental			
Operating temperature	-10°C to +60°C		
Storage temperature	-20°C to +70°C		
Operating relative humidity	Maximum 95% non-condensing		
Dimensions*			
	DA475-RM4	DA475-NET2	DA475-LEN
Width	187mm	136mm	190mm
Height	215mm	160mm	235mm
Depth	60mm	60mm	60mm
Weight	< 0.9Kg	< 0.4Kg	< 0.9Kg
Enclosure material	1.2mm Mild steel		
Finish	Zintec coated mild steel		
Other			
CE Approved	Yes		

*(+/- 2mm)
